

## **ELECTRIC DISTRIBUTION BOARD AND METER POSITION**

Property: 11 Naburn Street, Victoria Park, Manchester M13 0FL

The position of your Electric Distribution Board (i.e. fusebox/consumer unit) is and meter is **in the cupboard underneath the stairs.**

If one of your circuit breakers trips:

- a) switch off the main electric isolator switch
- b) switch your circuit breaker back up
- c) turn the main electric isolator switch back on

If your circuit breaker trips again, then LEAVE IT and phone the landlord.

**IF YOU ARE UNSURE ABOUT ANYTHING THEN LEAVE IT!**
