

ELECTRIC DISTRIBUTION BOARD AND METER POSITION

Property: 15 Welby Street, Victoria Park, Manchester M13 0EL

The position of your Electric Distribution Board (i.e. fusebox/consumer unit) is and meter is **in the front room downstairs inside the cupboard to the right hand side of the window.**

If one of your circuit breakers trips:

- a) switch off the main electric isolator switch
- b) switch your circuit breaker back up
- c) turn the main electric isolator switch back on

If your circuit breaker trips again, then LEAVE IT and phone the landlord.

IF YOU ARE UNSURE ABOUT ANYTHING THEN LEAVE IT!
