Section A – What’s included

Breakdown

We will repair your Product in the event of breakdown due to an electrical or mechanical fault that affects the operation of the Product.

If you require support and advice if your Product isn't working, please get in touch with our Currys experts (see Section J for contact details) who will try to diagnose the problem and confirm whether the fault is due to an electrical or mechanical breakdown.

If the problem is confirmed as an electrical or mechanical fault, but we can't solve the problem over the phone we will repair the Product or provide you with a Currys voucher to obtain a replacement Product in one of our stores (please note the Product Replacement details and the Section B exclusions).

During the call we will advise on next steps including whether you will need to take your item to store depending on the size of the product.

7 Day Fix Promise

To get you back up and running quickly, where we are dealing with the fault, we aim to repair products within 7 calendar days.

If we take over 7 calendar days to resolve the fault, you may request a replacement Product.

Please note the Product Replacement section below.

The 7-day promise period will start on either:

- The day after the date you book in your Product in one of our stores.
- The date of our engineer's first visit when access to the Product is gained.
- The day after the date that we collect your Product from you.

The 7-day promise period will end:

- When the Product is back in store and available for you to collect.
- The first delivery date available to return the Product to you.
- When our engineer completes the repair.

The 7-day promise does not apply if you have contacted the manufacturer or any other third party to carry out the repair direct and the fault is being resolved by the manufacturer or any other third party.

The 7-day promise is subject to allowing us reasonable access to the Product for assessment and resolution. If we cannot get access to the Product (e.g. you are away), the 7-day promise will not start. You will need to reschedule our engineer's visit and the 7-day promise will start when our engineer gains access to the Product.

If you have purchased a separate service for data recovery ("Data Recovery"), the 7-day promise will only start once the Data Recovery has been completed and the Computing Product has been returned to one of our stores and booked back in for assessment and resolution. The Computing Product is then required to be booked in with a Currys colleague at one of our stores.

We may at our sole discretion repair the Product or any part of it using a repair service of our choice.

Repair location

The repair will take place in our repair centre or in home, dependant on product type. Household Appliances will be in-home, TV & Entertainment Products will be via collection and return and Computing & Gadgets will be drop off and collect from store (if you are not able to get to store then a collection from home can be arranged).

Product Replacement

If we cannot repair your Product you will be given a Currys voucher to obtain a replacement Product in one of our stores. You will have 12 months from the date of issue of the voucher to use the voucher. The value of the voucher will be based on an equivalent or similar specification product up to a maximum of your original Product purchase price. We will also provide you with a Currys voucher to purchase delivery, installation and recycling (where applicable).

In some instances, at our discretion where we have directed you to a third party for a repair, a replacement product may be given by the third party instead of a voucher by us. If the third party replaces your product your Care & Repair plan will continue.

If we replace your laptop, 2in1 Detachable computer, PC desktops, Tablet, E-reader, Apple & Smart watch, Printer, Scanner, Smart Tech, Apple mac or iPad we will provide you with a Walk Out Working service (further details are in the 'Walk Out Working' section). Apple iPads will be replaced with an Apple authorised replacement product.

Once we issue you with a Currys voucher to replace your Product, we will immediately cancel your Plan with effect from the date of the incident which gave rise to the repair request and you'll be entitled to a pro-rata refund of any Plan payments made for the period after the date of termination of the Plan.

If replace your Product, the original Product will become our property.

Walk Out Working (This applies to Computing & Gadgets only)

If we are unable to repair your Computing & Gadget Product and we replace it by giving you a Currys voucher to obtain a replacement product you will be entitled to receive walk out working services from our in-store experts. We will:

- Set-up and check your device so it's ready to use when you get home.
- Give you 1 to 1 time with an expert, setting up your software and accounts on the device.
- Transfer any data from any back-ups you have.

Products excluded from Walk out Working are Cameras, Camcorders, HiFi, Portable audio, GPS, Games consoles, Electric Scooters, PC Peripherals and Telephones.

Multiple Failures

If your Product has an electrical or mechanical fault after being repaired on two previous occasions, you may request a replacement. This benefit applies on the third separate electrical or mechanical fault. If you request a replacement in accordance with this clause the provisions of the 'Product Replacement' section will apply.

24/7 Expert Support (This applies to Computing & Gadgets and TV & Entertainment only)

Our expert support service covers a variety of products from our Computing & Gadgets and TV & Entertainment Products. Call our Currys experts (see Section J for contact details) and we will help you with any 'get started' and 'how to?' questions.

Valet Service (This applies to Household Appliances only)

We will provide one valet service for your Product during the lifetime of the Plan for 'Term' customers. Or every 5 years for 'Pay as you go' customers. The valet service is available if your Plan applies to a Product that is one of the following large kitchen appliances only:

- Washing machines and dishwashers – cleaned and descaled.
- Cookers – trays, grills, interior and exterior cleaned.
- Fridge freezers – defrosted and given an antibacterial clean.

To book an appointment, call Currys Support (see Section J for contact details)

Built-in Battery failure (For Electric Scooters and Hoverboards only)

Damage or failure due to improperly maintaining the battery or caused by not following the manufacturers' instructions will be excluded.

- If the Product has reached its Maximum Plan Life (see Section E for more details).

Section E – Renewals

Subject to the provisions in this Section E, you are entitled to renew your Term plan at the end of the Plan.

When your Plan is due to renew, we will write to you a few weeks beforehand with your renewal offer and quote. If we haven't heard from you by your renewal date, we will assume that you no longer wish to continue supporting your Product and your Plan will lapse. Please note in order to ensure you are getting value from your Plan there is a limit to how many renewals of your Plan that you can make and how long the Plan is available for your Product. We will write to you to let you know when the Plan is no longer available for your Product ("Maximum Plan Life"). In order to ascertain the Maximum Plan Life of your Plan we will take into consideration a number of factors, for example (please note that this is not an exhaustive list):

- the age of the Product;
- the usability and functions of the Product.

Where your Product has reached its Maximum Plan Life we will cancel your Plan. We will write to you in advance to give you reasonable notice and confirm the date that the Plan will be cancelled. Where the Product has reached its Maximum Plan Life it cannot be renewed.

Where you have a Term plan, notwithstanding the above in relation to the Maximum Plan Life, the Plan will always apply for the initial term of the Plan you have taken out.

Section F – Duration of the Plan

Care & Repair will begin from the date you purchase this Plan.

The Plan expires on the earliest of:

- The date your Product is replaced by us in accordance with this Plan or we issue you with a voucher for a replacement; or
- The date of the Maximum Plan Life as we have communicated to you in accordance with Section E; or
- The date the Plan is cancelled by you or us.

Section G – Updating your details / Transferring the Plan

If you need to amend any of your details, such as your name or address please contact Currys Customer Services (see Section J for contact details) so that we can update our records. To ensure you get the best service possible it is important the details of the owner of the Product remain up to date.

If you sell or give away your Product, you can transfer this Plan to the new owner, free of charge. To do so you must write to us with details of the new owner's name and address. The new owner will need to continue to pay us for the Plan.
